Now that the Central Magistrate system has been introduced into the Province of Mysore & and it is in contemplation to extend it to the Districts of Kadur & Hassan & it is necessary that the powers conferred on Magistrates under certain Sections of the Criminal Procedure Code should be uniform throughout the Province, I am directed to say that the Chief Court is of opinion that the Rules framed in the Madras Presidency in connection with the Criminal Procedure Code should be adopted in this Province with such modifications as may be found necessary.

I am accordingly to request that the Chief Court may be favoured with the views of Government on the subject in connection with the Criminal Procedure Code Amendment Bill.

To

The Secretary to the
Government of Mysore

Sir,

Adverting to the correspondence ending with your letter no. 9630 / 1113 dated 22nd February 1897, I am directed to submit for the consideration and orders of Government proposals for the introduction of the Nazarat System throughout the Mysore Province.

2. The Judges of the Civil Courts, who were consulted on the subject, are unanimously of opinion that the System may, with advantage, be introduced into this Province and the District Judge of Nagar who has had the opportunity of observing, from November last the practical working of the System at Shimoga, reports that it has worked well there.

3 It is proposed to have one general Establishment of Amins and Peons for the execution and service of processes issued by all the Civil Courts at each of the Head Quarter Stations of the Nandydroog

Ashtagram

Ashtagram and Nagar Divisions viz, Bangalore, Mysore and Shimoga, under the immediate direction of a Central Nazir. The process Establishments of the outlying Munsiffs Courts will be under the immediate direction of a Deputy Nazir, both the Central and Deputy Nazirs being placed under the control of the Munsiff, for the reason stated in my letter no. 2133/99 dated 5th October 1896, viz, that if attached to a higher Court the processes of the inferior Courts may not receive the prompt attention that is necessary. The Central and Deputy Nazirs will be divided into two classes, with pay of 50 and 40 Rupees for the former, and 25 and 20 Rs for the latter. A Central Nazir of the 1st grade will be allowed to the Ashtagram Division and a 2nd grader Nazir to each of the other two Divisions Deputy Nazirs of the 1st class will be given for the Munsiffs Courts graded as 1st class and 2nd class Nazirs for the Munsiffs' Courts of the 2nd and 3rd classes, except the Courts of the Munsiffs of Kolar and Kolar Gold Fields, for both of which one Establishment under a Deputy Nazir of the 2nd class will be provided. The classification of Amins and Peons

which are the Munsiffs Courts graded as 1st Class & that as 2nd Class.

and

and the fees fixed for them will remain as at present.

4. The Madras Rules which are proposed to be adopted with the above modifications contain no provision as to the taking of security from Amins and Peons. Our Rules (Chief Commissioners notification No. 261 dated 11th January 1880) being an improvement in this respect are retained. The existing distinction between the process fees of the Munsiffs' Courts and those of the District and Sub Judge's Courts, as regards the number of processes to be served by them, is removed and the rule requiring each Amin and Peon of the Munsiffs Court to serve not less than 100 and 300 processes respectively made applicable to the Process Establishment both under the Central and Deputy Nazirs. The rules contained in the said Chief Commissioners notification as to the fees chargeable for serving and executing processes issued by the Local Courts are incorporated with the proposed Rules for the serving of processes under the Nazarat System (with the necessary modifications) doing away with the differences which now obtains in the Scale

of fees leviable in the Munsiffs Courts and in the Superior Courts, and making the Scale now in force in Munsiffs Courts applicable to all the Courts.

5. The cost of the present permanent and temporary process Establishments of the District and Sub-judges and Munsiffs Courts in the Province amounts to Rs 60,144 per annum. The Cost of the proposed Establishments to be placed under the Central and Deputy Nazirs including their pay, which is an addition, will be Rs 60,936 per annum, showing an increase of Rs 792. Deducting from this amount Rs 6,276, the Cost of the Central Nazarat Establishment at Shimoga, already sanctioned by Government Proceedings No. $\frac{4825-6}{7546}$ dated 21st October 1896 the actual amount involved in the present proposals is Rs 54,660. The charge will as at present be met from the amount of Process fees collected which is always greatly in excess of the expenditure, as will be seen from the figures of 1896 given in the Statement enclosed.

6. In providing the proposed Establishments of Amins and Peons care is taken not only to see that all the hands in the existing permanent Staff are

transferred

provided for in the proposed Scale, but also that the number given is not more than what is actually necessary for the efficient working of the System with the minimum cost possible. The number of processes served by 131 Amins in all the Courts during the year 1895-96 was 24.258 and by 427 Peons in the same year 1.77 940 making in all 2 02.198. giving on an average 185 processes for each Amin and 473 for each Peon. — Calculating at the rate of 100 processes for each Amin and 300 for every Peon, as required by the rules, 243 Amins and 593 Peons should properly have been employed to serve the total number of processes issued by all the Courts, but the work, as will be seen from the enclosed Statement, was actually done by only 131 Amins and 427 Peons. Therefore, taking advantage of this result, the Establishment as a whole now proposed under the Nazarat System was fixed to comprise 127 Amins and 387 Peons, thus giving on an average to each Amin 191 processes and to each Peon 459.

If the average as per Statement was 191 processes for each Amin and 459 for each Peon only and for the minimum of 150 for each Amin and 300 for each Peon, as per Rule XXIII?

7. The Amins and Peons of the existing temporary Establishment, who have to be thrown out under the present arrangement, will be provided for as vacancies occur

cur. A general register of all these men will be kept
t the District Court of each Division and men selected
from it will fill up vacancies occurring in any of
the Establishments under the Central or Deputy Nazirs.

8. Although the proposed Establishment involves
a slight extra cost of Rs66 a month or Rs 792 per annum
the Nazarat System commends itself as more advantageous
than the existing one in that it will effect economy of
labor and avoid the simultaneous working over the
same area of process Servers of different Courts
and relieve the presiding officers of Civil Courts
of the immediate supervision over process Serving
Establishments now placed under them in addition
to their other onerous and responsible duties. It will also
tend to put a stop to the Complaints generally received
from the Judges of the Subordinate Courts that, for
want of a separate hand to do the Nazirs work, which
is invariably now done by the Head Munshi or
other official of the Court in addition to his legitimate
work, great difficulty is felt in getting through
the work of the Court without arrears. I am therefore

directed

directed to submit the enclosed draft Rules and

The Registrar of the
Chief Court of Mysore

The Secretary to the
Government of Mysore

Sir,

In continuation of this office No. 2390 dated 24th September 1897 submitting proposals for the introduction of the Nazarat System throughout the Mysore Province, I am directed to forward for the information of Government, the accompanying extract (Paras 1, 2 & 3) from the Nagar District Judge's letter No. 156 dated 22nd instant, reporting favorably on the working of the system which was introduced at Shimoga tentatively for one year, and recommending that the scheme may be made

permanent.

Extract - paragraphs 1. 2 and 3 from Sagar District Judge's letter No 156 dated 22d. October 1897.

1. With reference to your No 2609/158 dated 22d. October 1896 forwarding copy of the Government proceedings No 4825-6/7546 dated 6th October 1896, sanctioning, as a tentative measure, for the period of one year, the introduction of the Central Nazarath system at Shimoga, I have the honor to state that the scheme was brought into force from 5 November 1896, and the Central Nazir and his establishment were placed under the direct supervision of the Munsiff of Shimoga, as proposed by the Judges of the Chief Court in your letter No 2133/99 dated 5th October 1896 to the Secretary to the Government, and that as the period of one year is about to expire I beg to recommend that the scheme may be made permanent

2 The Munsiff in his letter No 74

dated

dated 18 Instant states that he has met with no practical difficulties in the working of the system. It has not only cut down the expenditure but also systematised the working of the process department by placing it under the direct supervision of an official who is able to devote the whole of his time and attention to it.

3. A statement shewing the income and expenditure and the number of processes issued and the number actually executed by the present establishment during the past 11½ months is appended, and it will be seen from this statement that during the said period, the income amounted to Rupees 9508-4-0 while the expenditure was only Rs 5958-4-8 thus resulting in

(1) The following letter of the Registrar of the Chief Court, Mysore, No. 2390/61 dated 24 September 1897, submitting proposals for the introduction, throughout the State, of the Nazareth System introduced into the Nagar Division tentatively for one year under the orders conveyed in Proc. No. 4825-6/7546 dated 6th October 1896.

(Print in extenso)

(2) Letter No. 2798/74 dated 29 October 1897 from the same Officer forwarding, in continuation of the above, extracts from a report of the District Judge of Nagar on the working of the Central Nazareth System at Shimoga.

Order 6318-19/3709 dated 2-12-97 sec 2

Upon a consideration of

circumstances brought to notice in the foregoing letters, Government are pleased to direct that the Central Nazareth System tentatively introduced into the Nagar Division be made permanent, and be extended also to the other two Divisions, the total cost per annum being Rs 60,936 or Rs 792 more than the cost of the present Process Serving Establishment. The details of the cost are shewn in the Proposition Statement appended.

2. Government take this opportunity of suggesting, in with reference to the concluding portion of para 6 of the Registrar's letter of the 24th September last, that the minimum number of Processes to be served be raised from 100 to 150 in the case of each Ameen and from 300 to 400 in the case of each Peon. Subject to such modification as may

be deemed proper in this respect, the several proposals made in the said letter and the Draft Rules received therewith (Vide Appendix II) are approved.

Proceedings of the Government of Mysore.

READ:—

(I) The following letter of the Registrar of the Chief Court, Mysore, No. 2390—61, dated 24th September 1897, submitting proposals for the introduction, throughout the State, of the Central Nazarat System introduced into the Nagar Division tentatively for one year, under the orders conveyed in Proceedings No. 4825-6—7546, dated 6th October 1896—

Adverting to the correspondence ending with your letter No. 9630—J. 1113, dated 22nd February 1897, I am directed to submit, for the consideration and orders of Government, proposals for the introduction of the Nazarat System throughout the Mysore Province.

2. The Judges of the Civil Courts, who were consulted on the subject, are unanimously of opinion that the system may, with advantage, be introduced into this province; and the District Judge of Nagar, who has had the opportunity of observing, from November last, the practical working of the system at Shimoga, reports that it has worked well there.

3. It is proposed to have one General Establishment of amins and peons for the execution and service of processes issued by all the Civil Courts at each of the head-quarter stations of the Nundydroog, Ashtagram and Nagar Divisions, viz., Bangalore, Mysore and Shimoga, under the immediate direction of a Central Nazir. The Process Establishments of the outlying Munsiffs' Courts will be under the immediate direction of a Deputy Nazir, both the Central and Deputy Nazirs being placed under the control of the Munsiff for the reason stated in my letter No. 2133—99, dated 5th October 1896, viz., that if attached to a higher Court the processes of the inferior Courts may not receive the prompt attention that is necessary. The Central and Deputy Nazirs will be divided into two classes, with a pay of 50 and 40 rupees for the former, and 25 and 20 rupees for the latter. A Central Nazir of the 1st grade will be allowed to the Ashtagram Division and a 2nd grade Nazir to each of the other two Divisions. Deputy Nazirs of the 1st class will be given for the Munsiffs' Courts graded as 1st class, and 2nd class Nazirs for the Munsiffs' Courts of the 2nd and 3rd classes, except the Courts of the Munsiffs of Kolar and Kolar Gold Fields, for both of which one establishment under a Deputy Nazir of the 2nd class will be provided. The classification of amins and peons and the pay fixed for them will remain as at present.

4. The Madras Rules, which are proposed to be adopted with the above modifications, contain no provision as to the taking of security from amins and peons. Our rules (Chief Commissioner's Notification No. 261, dated 11th January 1880) being an improvement in this respect, are retained. The existing distinction between the process peons of the Munsiffs' Courts and those of the District and Sub-Judges' Courts as regards the number of processes to be served by them is removed, and the rule requiring each amin and peon of the Munsiff's Court to serve not less than 100 and 300 processes respectively, made applicable to the process establishment both under the Central and Deputy Nazirs. The rules contained in the said Chief Commissioner's notification as to the fees chargeable for serving and executing processes issued by the Civil Courts are incorporated with the proposed rules for the serving of processes under the Nazarat System (with the necessary modifications) doing away with the difference which now obtains in the scale of fees leviable in the Munsiffs' Courts and in the superior Courts, and making the scale now in force in Munsiffs' Courts applicable to all the Courts.

5. The cost of the present permanent and temporary process establishments of the District and Sub Judges' and Munsiffs' Courts in the province amounts to Rs. 60,144 per annum. The cost of the proposed establishments to be placed under the Central and Deputy Nazirs including their pay, which is an addition, will be Rs. 60,936 per annum, showing an increase of Rs. 792. Deducting from this amount Rs. 6,276, the cost of the Central Nazarat establishment at Shimoga, already sanctioned by Government Proceedings No. 4825-6—J. 546, dated 21st October 1896, the actual amount involved in the present proposals is Rs. 54,660. The charge will, as at present, be met from the amount of process fees collected, which is always greatly in excess of the expenditure, as will be seen from the figures of 1896 given in the statement enclosed.

6. In providing the proposed establishments of amins and peons, care is taken not only to see that all the hands in the existing permanent staff are provided for in the proposed scale, but also that the number given is not more than what is actually necessary for the efficient working of the system with the minimum cost possible. The number of processes served by 131 amins in all the Courts during the year 1895-96 was 24,258, and by 427 peons in the same year, 177,940, making in all 202,189, giving on an average 185 processes for each amin and 473 for each peon. Calculating at the rate of 100 processes for each amin and 300 for every peon, as required by the rules, 243 amins and 593 peons should properly have been employed to serve the total number of processes issued by all the Courts, but the work, as will be seen from the enclosed statement, was actually done by only 131 amins and 427 peons. Therefore, taking advantage of this result, the establishment as a whole now proposed under the Nazarat System was fixed to comprise 127 amins and 387 peons—thus giving on an average to each amin 191 processes and to each peon 459.

7. The amins and peons of the existing temporary establishment, who have to be thrown out under the present arrangement, will be provided for as vacancies occur, a general register of all these men will be kept at the District Court of each Division and men selected from it will fill up vacancies occurring in any of the establishments under the Central or Deputy Nazirs.

8. Although the proposed establishment involves a slight extra cost of Rs. 66 a month, or Rs. 792 per annum, the Nazarat System commends itself as more advantageous than the existing one in that it will effect economy of labor and avoid the simultaneous working over the same area of process-servers of different Courts and relieve the presiding officers of Civil Courts of the immediate supervision over process-serving establishments now placed under them in addition to their other onerous and responsible duties. It will also tend to put a stop to the complaints generally received from the Judges of the subordinate Courts that for want of a separate hand to do the Nazir's work, which is invariably now done by the Head Munshi or other official of the Court in addition to his legitimate work, great difficulty is felt in getting through the work of the Court without arrears. I am therefore directed to submit the enclosed Draft Rules* and the Proposition Statement* for the approval and sanction of Government.

*Vide Appendices.

No. 6318-9—J. 709, DATED BANGALORE, 2ND DECEMBER 1897.

ORDER THEREON.—Upon a consideration of the circumstances brought to notice in the foregoing letters, Government are pleased to direct that the Central Nazarat System, tentatively introduced into the Nagar Division, be made permanent, and be extended also to the other two Divisions, the total cost per annum being Rs. 60,936, or Rs. 792 more than the cost of the present Process-serving Establishment. The details of the cost are shown in the Proposition statement appended.

2. Government take this opportunity of suggesting, with reference to the concluding portion of para 6 of the Registrar's letter of the 24th September last, that the minimum number of processes to be served be raised from 100 to 150 in the case of each Amin and from 300 to 400 in the case of each Peon. Subject to such modification as may be deemd proper in this respect, the several proposals made in the said letter and the Draft Rules received therewith (*vide* Appendix II) are approved.

APPENDIX II.

The following Rules for the service and execution of processes issued by the Civil Courts in the Mysore Province, and the fees chargeable therefor, framed by the Chief Court under the provisions of Section 20 of the Court Fees Act, in supersession of those contained in the Chief Commissioner's Notifications Nos. 261 and 262, dated 10th January 1880, and the Chief Court Circular letter No. 549-4, dated 5th July 1882, having received the sanction of Government, are hereby published for general information:—

I. There shall be one General Establishment of Amins and Peons for the execution and service of processes issued by all the Civil Courts at each of the following stations and at such other places as the Chief Court may hereafter direct:—Bangalore, Mysore, Shimoga.

Such establishment shall be under the immediate direction of a Central Nazir and the control of the Principal Munsiff.

II. At all other stations the Process Establishment shall be under the immediate direction of a Deputy Nazir, who shall be under the control of the Munsiff having jurisdiction at such station.

III. (*a*) There shall be two classes of Central Nazirs, and their pay shall be—

	Rs.
1st Class	50 a month
2nd „	40 „

provided that no Central Nazir shall be placed in the 1st class unless the Process Establishment to be supervised by him consists of 70 peons and 20 amins;

(*b*) There shall be two classes of Deputy Nazirs, and their pay shall be—

	Rs.
1st Class	25 a month
2nd „	20 „

Deputy Nazirs of the 1st class shall be provided for the Munsiffs' Courts graded as 1st class, and Deputy Nazirs of the 2nd class for the Munsiffs' Courts graded as 2nd and 3rd classes.

(*c*) There shall be two classes of Amins, and their pay shall be—

	Rs.
1st Class	16 a month
2nd „	14 „

The proportion of Amins in the higher grade shall not exceed one to two in the lower grade.

(*d*) There shall be two classes of Peons, and their pay shall be—

	Rs.
1st Class	8 a month.
2nd „	7 „

The proportion of Peons in the higher grade shall not exceed one to three in the lower grade.

The Central Nazir and his Process Establishment shall be appointed by the District Judge. The appointment of Deputy Nazir and his establishment shall be made by the Munsiff to whose Court they are attached. All appointments shall be subject to the provisions of Section 21 of the Civil Courts Regulaton No. I of 1883.

All the charges of the Nazarat Establishment shall be debited to the Process Service Fund.

IV. Each Central Nazir must furnish security in a sum of Rs. 500, and each Deputy Nazir in a sum of Rs. 250. Each Amin of the 1st class must furnish security in the sum of Rs. 120 and each Amin of the 2nd class in the sum of Rs. 100. The security for Peons of both classes shall be Rs. 50.

V. The security to be furnished by Nazirs and Amins shall either be by bond, or by deposit of title deeds of immovable property, or by deposit of cash or Government Promissory Notes; and the security to be furnished by Peons shall be by bond with two sureties, or by deposit of cash, which should be invested in the District Savings Bank in the name of the depositor.

VI. The " proper officer " to whom processes shall be transmitted for service under Section 72 of the Code of Civil Procedure, 1882, shall be—

(*a*) *The Central Nazir*, in respect of all processes issued by any Court located or having jurisdiction at a station where there is a Central Nazir, for service within the jurisdiction of a Munsiff located at such station ;

(*b*) *The Deputy Nazir*, at a station where there is no Central Nazir, and in respect of processes issued by any Court for service within the jurisdiction of an outlying Munsiff.

VII. The processes of each Court shall be numbered consecutively, as soon as all batta charges have been paid, and shall be entered in a register in the Form A or AA, as the case may be, annexed hereto.

VIII. At stations where there is a Central Nazir, at 3 P.M. daily, the chief ministerial officer of each Court shall sign the Register A, and transmit it to the Central Nazir, together with the processes to be served or executed by him, which have been prepared up to that hour, and the witnesses' batta. Such processes prepared after 3 P. M. shall be sent to the Nazir not later than 11-30 the following morning, together with the register signed as above.

After verifying the entries relating to himself, the Central Nazir shall return the register to the Court concerned with his counter-signature.

This rule shall also apply to processes to be served or executed by the Deputy Nazirs.

IX. One hour before the Post time for each outlying Munsiff's station, the chief ministerial officer of each superior Court shall have a list prepared in the Form A A of all processes to be served or executed within the jurisdiction of such outlying Munsiff, and such list shall be forthwith sent by Post on Mysore Government Service to the Deputy Nazir of such Munsiff, together with all such processes.

X. On receiving any batch of processes, the Central or Deputy Nazir, as the case may be, shall give them general numbers and enter them in a register, which shall be kept by himself or under his superintendence in the Form B annexed hereto.

XI. He shall thereupon arrange for the distribution of the processes, and, after the necessary entries have been made in the Roster (Form C hereto annexed), shall deliver them to the several process-servers. As far as possible, all processes other than warrants of arrest, for persons residing in the same neighbourhood shall be served by one process-server and not by several, whether issued by the same or by different Courts.

XII. Every day, at such hours as the Munsiff may fix, having regard (when necessary) to the hours at which the Post closes, the Central Nazir and each Deputy Nazir shall prepare a list for each Court of the processes to be returned to it, giving them their original Court numbers, and shall transmit them with the list to the chief ministerial officer, who shall sign and return the list.

XIII. It shall be the duty of the chief ministerial officer to have the processes returned struck off in his Register A or AA, as the case may be, and to bring to the notice of the presiding Judge any unusual delay. Where such Judge is not the District Judge, he shall report such delay to the District Judge in the absence of satisfactory explanation. The District Judge will report all such cases to the Chief Court.

XIV. At the close of each day, every Central and Deputy Nazir shall enter in the Register B the number of processes distributed during the day and the number of peons remaining unemployed after the distribution.

XV. The return of service shall ordinarily be verified by affidavit, and, under Section 197 (*b*) of the Code of Civil Procedure, all Nazirs and Deputy Nazirs are hereby empowered to administer the oath to any process-server. Such affidavit may be read at the hearing and used as proof of service.

When a process is returned under Section 80, 168 or 343, the Court is required to examine the serving officer on oath; but under Section 386 (*c*), in the case of the

process-servers of an outlying Court, such examination may generally be taken under a Commission. The commission will be in the form of an authority (written or printed at the foot of, or attached to, every process) to the Munsiff to examine the process-server if necessary.

XVI. When any person has been arrested, or moveable property seized, by a process-server of an outlying Court under a Warrant issued by a superior Court, the process-server shall forthwith bring such person or property to the station of such Court and deliver him or it to the Central or Deputy Nazir, as the case may be, provided that this rule shall not apply to property not required to be brought to the Court-house.

Such Central or Deputy Nazir shall immediately give the process-server a receipt and send him back to his own Court, and shall produce such person or property before the Court which issued the process.

When money shall have been paid upon any such process, it shall be received by the outlying Munsiff and duly transmitted, together with the process, to the Court concerned: provided that, where such sum does not exceed the batta due (or likely to become due within three days) by such Court, the Munsiff may order it to be credited to such Court's Batta Account, sending immediate notice of the same that the Court concerned may pay the judgment creditor out of the batta accumulations.

XVII. A permanent advance of Rs. 100 will be made to each Central or Deputy Nazir for the batta of witnesses, &c. The amount of batta to be paid must be notified on each process sent to it for service, but shall be retained in the Court issuing the process until the accumulations reach Rs. 50, or till the end of the month. Whenever the sum of Rs. 50 is due by any one Court to another, and at the close of each month in any case, the full amount due must be remitted through the Government Treasury, if there is a Treasury at the outlying station, and if not, by a Postal Money Order, the cost of which may be charged in the Contingent Bill.

The Chief Court may, at its discretion, increase or reduce the permanent advance of any particular Central or Deputy Nazir.

XVIII. On or before the 6th of each month the Central Nazir or the Deputy Nazir (as the case may be) of each Court shall send to each Court concerned a statement shewing the account between them, as it stood at the close of the preceding month, and any subsequent remittance. Such accounts, when furnished to any other Court than the District Court, shall be sent on to the District Judge after verification and with any explanation which may seem necessary. It shall be the duty of the District Judge to see that no excessive sum of money is retained in any Court.

XIX. The presiding Judge of any Court may, for any sufficient reason, at any hour of the day, transmit a process for emergent execution within the jurisdiction of the head-quarter Munsiff, and it shall be the duty of the Central or Deputy Nazir (as the case may be), on receiving such process signed by the Judge, to make immediate arrangements accordingly.

In a case of very special urgency, the presiding Judge may deliver any such process to one of the process-servers in attendance on his Court for immediate service or execution.

XX. The Deputy Nazirs of outlying Courts shall on no account delay any process which may be signed by a presiding Judge as emergent. All other processes it shall be lawful for them to keep back for any period, not exceeding three days, which may be necessary to admit of a sufficient number accumulating for a particular neighbourhood.

XXI. The presiding Judge of any superior Court may direct, on the application of the party applying for any particular process which would ordinarily be sent for service to an outlying Court, that it be served or executed by a special process-server from head-quarters: provided that the pay of such process-server at the rate of 4 annas a day for a peon or 8 annas for an amin, for the time he is likely to be employed on such duty, be paid in advance; and the Judge may, for any sufficient reason, direct that such extra charge be costs of the suit or proceeding.

XXII. Except for very special reasons, which must be recorded in writing, no Court shall direct, under Section 349, that a judgment-debtor be left in the custody of a peon, unless a second peon is deputed to assist him and the pay of both, at 4 annas a day for each up to the time fixed for the adjourned hearing, be paid in advance.

Payments under this and the preceding rule shall be made in Process Service stamps.

XXIII. Unless the Chief Court shall otherwise direct, upon due cause being shown, the number of amins and peons to be employed under any Nazir or Deputy Nazir shall be sufficient, and no more than sufficient, for the execution of not less than 100 processes a year by each amin and not less than 300 processes a year by each peon: provided that three peons for each Court shall be told off in rotation for ten days at a time to attend the Court to help to keep order and guard the court-house and to be available for emergent processes under Rule XIX.

In calculating the number of processes, if more than one of the same description have been issued on behalf of the same party at the same time in the same suit or proceeding and executed in the same town or village, the first only shall be reckoned as a full process, and each subsequent set of three or part thereof shall count as but one process, whether executed by one or more peons. Three processes will be counted for each emergent process and one for each day that a peon is in charge of a judgment-debtor or engaged on any special duty.

XXIV. Every Central or Deputy Nazir shall, at the end of each month, report to the District Judge through the Munsiff the number of processes, calculated as above, which may have been executed by their subordinates within the month; and such report shall show the number declared by each Court to be emergent. The District Judge shall forward the Report to the Chief Court with his remarks thereon.

The Chief Court may reduce the number of peons in the Central Nazarat, or any outlying Court, whenever the average number of processes for each man (exclusive of those allowed under Rule XXIII to be in attendance in the Courts) falls short of the prescribed minimum by more than ten per centum.

The periodical returns of receipts and disbursements on account of Process-service Fees, furnished to the Chief Court, shall show the average number of processes actually executed by each peon or amin.

XXV. The fees chargeable for serving and executing process issued by the Civil Court shall be:—

		Rs.	a.	p.
1.	Summons to Defendant	0	8	0
	And for every additional Defendant if applied for at the same time, and if Defendant resides in the same neighbourhood ...	0	4	0
2.	Summons to a Witness	0	8	0
	And for every additional Witness, if applied for at the same time, and if the Witness resides in the same neighbourhood	0	4	0
3.	Warrant of Arrest	1	0	0
4.	Proclamation of Attachment or Sale ...	0	8	0
5.	Warrant of Attachment of movable or immovable property	1	0	0
6.	Warrant of delivery of possession of property, movable or immovable, if no attachment has taken place	The fee for attachment of said property.		
	If the attachment has taken place—			
	For movable property	0	8	0
	For immovable property	1	0	0
7.	Injunction, Order or Notice not otherwise provided for	0	8	0

N. B.—(1) When it is found necessary to employ more than one amin or peon (as for instance where property is situated in different places) double fees are to be charged.

(2) When it is necessary to appoint a custodian of the property attached under Section 269 of the Civil Procedure Code, an additional fee at the same rate shall be levied, from the party on whose application the warrant was issued, at the end of five days and for every additional period of five days or less during which the property is kept under attachment.
